"Barthelme is one of the
most exciting writers around."
—Newsweek

Masterpieces of Wit, Whimsy and Satire

A saint struggles with the greatest of all temptations: daily life.

A genius proposes a world inventory of genius to create a better life, but he cannot bear the company.

Family life trembles with enough animus to bring down an elephant.

A woman leaves her husband and enters the red velvet map of a new life.

Julio -

18-XI-80

Otra edición de Barthelme, también nueva para nosotras, y muy gustada. ¡Diviértase!
